

Corinne Ducusin DESIGNER

CORINNE@MAIDENANDWHELP.COM • 803.386.1106 • MAIDENANDWHELP.COM

I'm a designer who, since 2007, offers a full-range of freelance services: print design, branding, illustration, web design, and front-end development.

Currently, my objective is to step outside the boundaries of solo freelancing. I would absolutely love to work in a creative environment, as part of a design team, where I can showcase my talents and pay tribute to my passion in life - design.
